

**SOUTH CENTRAL CONNECTICUT REGIONAL WATER AUTHORITY  
FORMER HAMDEN MIDDLE SCHOOL SITE**

**FIRST QUARTER 2008 PROGRESS REPORT  
JANUARY THROUGH MARCH 2008**

A summary of investigative actions completed during the first quarter of 2008 to comply with Consent Order No. SRD-128 is presented below.

**Actions Completed During First Quarter of 2008**

- Continued participation in Public Involvement Plan; and
- Submittal of application to lower the ground-water reclassification within a portion of Hamden and New Haven, CT.

**Actions Proposed to be Completed During Second Quarter of 2008 (April 2008 through June 2008)**

- Submittal of letter report summarizing offsite soil-vapor and ground-water investigations results described in the August 17, 2006 and December 11, 2006 CTDEP conditional approvals regarding October 3, 2005 and November 15, 2006 Supplemental Scopes of Study.
- Submittal of supplemental investigation report regarding soil investigations at Hamden Housing Authority property;
- If CTDEP conditional approval is received, remediate PCB impacted soils located west of tennis courts and install additional monitoring wells southwest of Middle School Site for purposes of fully defining VOC impacts in ground water. The schedule for the work would be contingent on timing of the approval letter(s) and any potential conditions identified in the letter(s);
- Submit Focused Remedial Action Plan for VOC impacted soils located within the athletic field and west of tennis courts; and
- Continue participation in Public Involvement Plan.
