**FIRST QUARTER 2009 PROGRESS REPORT
JANUARY THROUGH MARCH 2009**

A summary of investigative actions completed during the first quarter of 2009 to comply with Consent Order No. SRD-128 is presented below.

Actions Completed During First Quarter of 2009

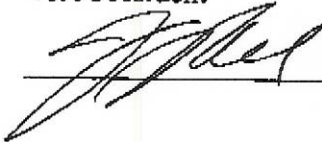

- Continued participation in Public Involvement Plan;
- Continued feasibility evaluation of alternative site-wide and focused remedial options; and
- Participation in public meeting concerning Proposed Change in Ground Water Classification.

Actions Proposed to be Completed During Second Quarter of 2009 (April through June 2009)

- Continued feasibility evaluation of alternative site-wide and focused remedial options;
- Submit Focused Remedial Action Plan for volatile organic compound (VOC) impacted soils located within the athletic field and west of tennis courts;
- Submittal of letter report summarizing offsite soil-vapor and ground-water investigations results described in the August 17, 2006 and December 11, 2006 CTDEP conditional approvals regarding October 3, 2005 and November 15, 2006 Supplemental Scopes of Study;
- Submittal of supplemental investigation report regarding soil investigations at Hamden Housing Authority property;
- If CTDEP conditional approval is received, remediate PCB impacted soils located west of tennis courts. The schedule for the work would be contingent on timing of the approval letter(s) and any potential conditions identified in the letter(s); and
- Continue participation in Public Involvement Plan.
