

**SOUTH CENTRAL CONNECTICUT REGIONAL WATER AUTHORITY  
FORMER HAMDEN MIDDLE SCHOOL SITE**

**FIRST QUARTER 2011 PROGRESS REPORT  
JANUARY THROUGH MARCH 2011**

A summary of investigative actions completed during the first quarter of 2011 to comply with Consent Order No. SRD-128 is presented below.

**Actions Completed During First Quarter of 2011**

- Continued participation in Public Involvement Plan;

**Actions Proposed to be Completed During Second Quarter of 2011 (April through June 2011)**

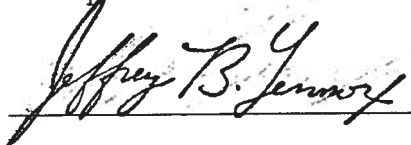

- If CTDEP conditional approval is received, make preparations to remediate PCB and VOC impacted soils located west of tennis courts. The schedule for the work would be contingent on timing of the approval letter(s), permit process, ordering of materials, any potential conditions identified in the letter(s), and seasonal conditions;
- Submittal of alternative pollutant mobility criteria and direct exposure criteria for Former Hamden Middle School Site; and
- Continue participation in Public Involvement Plan.

“I have personally examined and am familiar with the information submitted in this document and all attachments thereto, and I certify, based on reasonable investigation, including my inquiry of those individuals responsible for obtaining the information, that the submitted information is true, accurate and complete to the best of my knowledge and belief. I understand that any false statement made in the submitted information is punishable as a criminal offense under §53a-157b of the Connecticut General Statutes and any other applicable law.”
