

**SOUTH CENTRAL CONNECTICUT REGIONAL WATER AUTHORITY
FORMER HAMDEN MIDDLE SCHOOL SITE**

**SECOND QUARTER 2008 PROGRESS REPORT
APRIL THROUGH JUNE 2008**

A summary of investigative actions completed during the second quarter of 2008 to comply with Consent Order No. SRD-128 is presented below.

Actions Completed During Second Quarter of 2008

- Continued participation in Public Involvement Plan; and
- Feasibility evaluation of alternative site-remedial options.

Actions Proposed to be Completed During Third Quarter of 2008 (July 2008 through September 2008)

- Submit Focused Remedial Action Plan for volatile organic compound (VOC) impacted soils located within the athletic field and west of tennis courts; and
- Submittal of letter report summarizing offsite soil-vapor and ground-water investigations results described in the August 17, 2006 and December 11, 2006 CTDEP conditional approvals regarding October 3, 2005 and November 15, 2006 Supplemental Scopes of Study.
- Submittal of supplemental investigation report regarding soil investigations at Hamden Housing Authority property;
- If CTDEP conditional approval is received, remediate PCB impacted soils located west of tennis courts and install additional monitoring wells southwest of Middle School Site for purposes of fully defining VOC impacts in ground water. The schedule for the work would be contingent on timing of the approval letter(s) and any potential conditions identified in the letter(s);
- Continue participation in Public Involvement Plan.
