

**SOUTH CENTRAL CONNECTICUT REGIONAL WATER AUTHORITY  
FORMER HAMDEN MIDDLE SCHOOL SITE**

---

**THIRD QUARTER 2009 PROGRESS REPORT  
JULY THROUGH SEPTEMBER 2009**

A summary of investigative actions completed during the third quarter of 2009 to comply with Consent Order No. SRD-128 is presented below.

**Actions Completed During Third Quarter of 2009**

- Continued participation in Public Involvement Plan; and
- Continued feasibility evaluation of alternative site-wide and focused remedial options.

**Actions Proposed to be Completed During Fourth Quarter of 2009 (October through December 2009)**

- Continued feasibility evaluation of alternative site-wide and focused remedial options;
- Submit Focused Remedial Action Plan for volatile organic compound (VOC) impacted soils located within the athletic field and west of tennis courts;
- Submittal of supplemental investigation report regarding soil investigations at Hamden Housing Authority property;
- If CTDEP conditional approval is received, remediate PCB-impacted soils located west of tennis courts. The schedule for the work would be contingent on timing of the approval letter(s) and any potential conditions identified in the letter(s); and
- Continue participation in Public Involvement Plan.

"I have personally examined and am familiar with the information submitted in this document and all attachments thereto, and I certify, based on reasonable investigation, including my inquiry of those individuals responsible for obtaining the information, that the submitted information is true, accurate and complete to the best of my knowledge and belief. I understand that any false statement made in the submitted information is punishable as a criminal offense under §53a-157b of the Connecticut General Statutes and any other applicable law."
