**THIRD QUARTER 2008 PROGRESS REPORT  
JULY THROUGH SEPTEMBER 2008**

A summary of investigative actions completed during the third quarter of 2008 to comply with Consent Order No. SRD-128 is presented below.

**Actions Completed During Third Quarter of 2008**

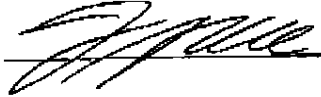

- Continued participation in Public Involvement Plan;
- Feasibility evaluation of alternative site-remedial options; and
- Submittal of addendum for the Proposed Change in Ground Water Classification that was submitted on March 30, 2008.

**Actions Proposed to be Completed During Fourth Quarter of 2008 (October 2008 through December 2008)**

- Submit Focused Remedial Action Plan for volatile organic compound (VOC) impacted soils located within the athletic field and west of tennis courts;
- Submittal of letter report summarizing offsite soil-vapor and ground-water investigations results described in the August 17, 2006 and December 11, 2006 CTDEP conditional approvals regarding October 3, 2005 and November 15, 2006 Supplemental Scopes of Study;
- Submittal of supplemental investigation report regarding soil investigations at Hamden Housing Authority property;
- If CTDEP conditional approval is received, remediate PCB impacted soils located west of tennis courts. The schedule for the work would be contingent on timing of the approval letter(s) and any potential conditions identified in the letter(s); and
- Continue participation in Public Involvement Plan.
